# KPI DEVELOPMENT GUIDE

---

## Table of Contents

**Introduction**.....

1 How to use this manual .....

    1.1 The components of the manual \_\_\_\_\_

        Table 1:Core components of the KPI manual \_\_\_\_\_

    1.2 Using the different components of the manual \_\_\_\_\_

        1.2.1 Using Part One: General Principles \_\_\_\_\_

        1.2.2 Using Part Two: The KPI Workbook \_\_\_\_\_

        1.2.3Using Part Three: The Facilitator’s Resource Kit \_\_\_\_\_

2 The rationale for this manual .....

    2.1 The Idea of the Measurement-Managed Organization \_\_\_\_\_

        Table 2:Relating Measurement-Managed Organizations to Performance\* \_\_\_\_\_

        Table 3:Measurement-Managed Organizations Cultural Characteristics\* \_\_\_\_\_

    2.2 Why does Measurement-Management Work? \_\_\_\_\_

    2.3 The Idea of Best Practices \_\_\_\_\_

    2.4 Best Practices and Key Performance Indicators \_\_\_\_\_

3 An introduction to Key Performance Indicators.....

    3.1 The Context for Performance Management \_\_\_\_\_

        3.1.1 The basic attraction of measurement \_\_\_\_\_

        3.1.2 The learned reaction to measurement \_\_\_\_\_

        3.1.3 The ITPMG approach to measurement adopted in the manual \_\_\_\_\_

    3.2 What are Key Performance Indicators \_\_\_\_\_

    3.3 A note on language \_\_\_\_\_

**Part One**.....

General Principles.....

4 How to use Part One of the manual .....

    4.1 The purpose of the general principles \_\_\_\_\_

    4.2 The structure of Part One \_\_\_\_\_

        Table 4: Part One organization of the manual \_\_\_\_\_

5 The context for the introduction of KPIs.....

    5.1 A process approach to your organization \_\_\_\_\_

    5.2 Defining and improving key processes \_\_\_\_\_

    5.3 Assessing your organization’s capacity to pursue Best Practices \_\_\_\_\_

    5.4 Pursuing inclusion \_\_\_\_\_

    5.5 Stretching the limits of Best Practices \_\_\_\_\_

6	The four general principles guiding the development and use of KPIs.....	
6.1	Why KPIs are needed.....	
6.2	Principle One: Partnership.....	
6.2.1	Implications of Principle One.....	
6.3	Principle Two: Empowerment.....	
6.3.1	Implications of Principle Two.....	
6.4	Principle Three: Integrated performance improvement.....	
6.4.1	Implications of Principle Three.....	
6.5	Principle Four: Teamwork.....	
6.5.1	Implications of Principle Four.....	
7	An eight-step model for developing and using KPIs.....	
8	<i>Step One</i> : Aligning with other change and improvement strategies.....	
8.1	The purpose of alignment.....	
8.2	Alignment and the principles.....	
8.2.1	Alignment and the organizational level for the introduction of KPIs.....	
8.2.2	Best Practices and the starting point for the introduction of KPIs.....	
8.3	Guidelines for completing Step One.....	
8.3.1	Guideline One: Consider the existing measurement culture.....	
8.3.2	Guideline Two: Be prepared to explain why KPIs are necessary.....	
8.3.3	Guideline Three: Be prepared to allow KPIs to develop and evolve.....	
8.3.4	Guideline Four: Be flexible about the rate of progress required.....	
8.4	Illustrations of approaches to Step One.....	
9	<i>Step Two</i> : Explaining the purpose of KPI development and use to all employees.....	
9.1	The purpose of explanation.....	
9.2	Explanation and the principles.....	
9.3	Guidelines for completing Step Two.....	
9.3.1	Guideline One: Deliver joint briefings.....	
9.3.2	Guideline Two Build a case for change.....	
9.3.3	Guideline Three: Address your audience.....	
9.3.4	Guideline Four: Use the vision to attract people.....	
9.3.5	Guideline Five: Personalize the message.....	
9.3.6	Guideline Six: Illustrate “Where to next”.....	
10	<i>Step Three</i> : Establishing an agreed process for the development and use of KPIs.....	
10.1	The purpose in having an agreed process.....	
10.2	An agree process and the principles.....	
10.3	Guidelines for completing Step Three.....	
10.3.1	Guideline One: Determining responsibility.....	
10.3.2	Guideline Two” Focus the plan on resourcing teams to develop KPIs.....	
10.3.3	Guideline Three: Introduce a moratorium on old KPIs.....	
10.3.4	Guideline Four: Check for cultural consistency.....	
11	<i>Step Four</i> : Identifying organization-wide Critical Success Factors.....	
11.1	The purpose of Critical Success Factors.....	
11.2	Determining Critical Success Factors for your organization.....	
	Table 6: IT Investment Views.....	
11.2.1	Examples of Critical Success Factors.....	
	Table 7: Examples of Critical Success Factors.....	

- 11.3 Critical Success Factors and the principles \_\_\_\_\_
- 11.4 Guidelines for completing Step Four \_\_\_\_\_
  - 11.4.1 Guideline One: Consult strategic planning documents \_\_\_\_\_
  - 11.4.2 Guideline Two: Consult customers and employees \_\_\_\_\_
  - 11.4.3 Guideline Three: Address the six broad aspects of organizational performance \_\_\_\_\_
  - 11.4.4 Guideline Four: Explain the Critical Success Factors \_\_\_\_\_
- 12 *Step Five: Selecting KPIs at the team level* .....
- 12.1 The purpose of team level KPIs \_\_\_\_\_
  - 12.1.1 Why team KPIs are critical \_\_\_\_\_
  - 12.1.2 What do we mean by teams? \_\_\_\_\_
  - 12.1.3 What team KPIs can do \_\_\_\_\_
- 12.2 Team KPIs and the principles \_\_\_\_\_
- 12.3 Guidelines for completing Step Four \_\_\_\_\_
  - 12.3.1 Guideline One: Sourcing the process \_\_\_\_\_
  - 12.3.2 Guideline Two: Encouraging balance in team KPIs \_\_\_\_\_
  - 12.3.3 Guideline Three: Promote KPIs that measure processes and outcomes \_\_\_\_\_
  - 12.3.4 Guideline Four: Permit KPIs to evolve \_\_\_\_\_
  - 12.3.5 Guideline Five: Practicality, not perfection \_\_\_\_\_
  - 12.3.6 Guideline Six: Never lose sight of ownership \_\_\_\_\_
  - 12.3.7 Guideline Seven: A limited, manageable number of KPIs \_\_\_\_\_
  - 12.3.8 Guideline Eight: Build the integrated system of KPIs from the ground up \_\_\_\_\_
- 13 *Step Six: Developing display, reporting and review frameworks at all levels* .....
- 13.1 The importance of display, reporting and review frameworks \_\_\_\_\_
  - 13.1.1 Display frameworks \_\_\_\_\_
  - 13.1.2 Reporting frameworks \_\_\_\_\_
  - 13.1.3 Review processes \_\_\_\_\_
- Table 8: A recommended KPI review schedule \_\_\_\_\_
- KPIs \_\_\_\_\_
- Recommended Review \_\_\_\_\_
- Workgroups and teams \_\_\_\_\_
- Weekly team meetings \_\_\_\_\_
- Department \_\_\_\_\_
- Monthly reviews in: \_\_\_\_\_
- Global KPIs \_\_\_\_\_
- Quarterly reviews in: \_\_\_\_\_
- 13.2 Display, reporting and review and the principles \_\_\_\_\_
- 13.3 Guidelines for completing Step Six \_\_\_\_\_
  - 13.3.1 Guideline One: Provide appropriate training \_\_\_\_\_
  - 13.3.2 Guideline Two: Promote the systematic use of KPIs \_\_\_\_\_
  - 13.3.3 Guideline Three: Present consistent graphs \_\_\_\_\_
  - [13.3.4](#) Guideline Four: Use a variety of graphical presentations particularly for team KPIs \_\_\_\_\_
  - 13.3.5 Guideline Five: Encourage teams to generate their own charts for team KPIs \_\_\_\_\_
  - 13.3.6 Guideline Six: Support the display of KPI data by regular reviews of the results in appropriate team, department and workgroup forums \_\_\_\_\_
- 14 *Step Seven: Facilitating the use of KPIs to assist in performance improvement and the achievement of Best Practices* \_\_\_\_\_

14.1 KPIs and performance improvement: The importance of making the link \_\_\_\_\_

14.2 KPIs, performance improvement and the principles \_\_\_\_\_

14.3 Guidelines for completing Step Seven \_\_\_\_\_

    14.3.1 Guideline One: Gradually extend the use of KPIs \_\_\_\_\_

    14.3.2 Guideline Two: Extend KPI use through consultation \_\_\_\_\_

    14.3.3 Guideline Three: Standardize KPIs in the organization \_\_\_\_\_

15 *Step Eight: Refining and modifying KPIs to maintain their relevance*.....

    15.1 The purpose of refinement and modification \_\_\_\_\_

    15.2 Refinement and modification and the principles \_\_\_\_\_

    15.3 Guidelines for completing Step Eight \_\_\_\_\_

        15.3.1 Guideline One: Review organization-wide CSFs at least annually \_\_\_\_\_

        15.3.2 Guideline Two: Sustain the consultative mechanisms \_\_\_\_\_

        15.3.3 Guideline Three: Keep customers informed \_\_\_\_\_

        15.3.4 Guideline Four: Allow KPIs to change, particularly at the team level \_\_\_\_\_

**Part Two** .....

Developing and using KPIs .....

About the KPI workbook.....

    Introduction \_\_\_\_\_

    Using the workbook \_\_\_\_\_

    Completing the eight steps using the help sheets \_\_\_\_\_

Eight steps for developing and using KPIs.....

*Step One: Aligning KPI development with other change and improvement strategies in the organization* .....

    Step One worksheet \_\_\_\_\_

    Step One help sheet \_\_\_\_\_

*Step Two: explaining the purpose of the development and use of KPIs to all employees* .....

    Step Two worksheet \_\_\_\_\_

    Step Two help sheet \_\_\_\_\_

*Step Three: Developing an agreed process for the development and use of KPIs* .....

    Step Three worksheet \_\_\_\_\_

    Step Three help sheet \_\_\_\_\_

*Step Four: Developing an agreed process for the development and use of KPIs*.....

    Step Four worksheet \_\_\_\_\_

    Step Four help sheet \_\_\_\_\_

*Step Five: Selecting KPIs at the team level* .....

    Step Five worksheet \_\_\_\_\_

        Table A Possible team KPI worksheet \_\_\_\_\_

        Table B Possible KPI planner \_\_\_\_\_

    Step Five help sheet \_\_\_\_\_

*Step Six: Developing display, reporting and review frameworks at all levels* .....

    Step Six worksheet \_\_\_\_\_

        Team Name: \_\_\_\_\_

        Week Ending Date:       /       / \_\_\_\_\_

        Bar chart example: Team KPI = Delivery performance \_\_\_\_\_

Trend chart example: Team KPI = Number of customers complaints \_\_\_\_\_  
Run chart example: Team KPI = Costs per unit produced \_\_\_\_\_  
*Step Seven: Facilitating the use of KPIs for performance improvement and the achievement of Best practices* .....  
Step Seven worksheet \_\_\_\_\_  
Step Seven help sheet \_\_\_\_\_  
*Step Eight: Refining and modifying KPIs to maintain their relevance*.....  
Step Eight worksheet \_\_\_\_\_  
KPI glossary of terms .....
